# Cardiological Society of India (Delhi Branch)

Dear Colleagues,

The CSI Delhi Branch cordially invites you to its 40th Annual Conference, scheduled for 7<sup>th</sup>– 8<sup>th</sup> March 2026 at Le Meridien, New Delhi.

We have designed a stimulating and comprehensive scientific program that highlights the most significant advances in cardiovascular medicine over the past year, with a strong emphasis on evidence-based clinical practice. The conference aims to enhance professional expertise and support cardiologists and physicians in their day-to-day clinical decision-making.

The meeting is expected to be attended by 500–700 eminent cardiologists, physicians, and cardiology trainees (DM & DNB students) from Delhi, NCR, and neighboring regions. This full-fledged two-day academic event will provide an in-depth update on the latest developments across the spectrum of cardiovascular medicine.

The Executive Committee of the CSI Delhi Branch is working diligently to curate a robust and well-balanced scientific program, encompassing a wide array of topics in cardiology. The sessions will include state-of-the-art lectures, simulation workshop, debates, and interactive views and counterinterviews, delivered by leading experts in the field, covering most major cardiovascular diseases.

Special emphasis will be placed on recent advances from the last year that have immediate relevance to everyday clinical practice. In addition, a dedicated session for postgraduate students is being planned to address their academic and training needs.

The conference is open to both CSI members and non-members. Registration is mandatory for all delegates, and we request you to kindly encourage your Fellows, students, and colleagues to register and participate actively.

We are confident that the conference will be an enriching and enjoyable academic experience. Kindly block your dates and join us for this academic extravaganza.

We look forward to welcoming you to New Delhi.

Warm regards,

CSI Delhi Branch  
Executive Committee

We look forward to welcoming you.

**Dr. Satyavir Yadav**  
Hony Secretary CSI-DB

**Dr. J P S Sawhney**  
President CSI-DB

# Programme Highlights
